NO SECRETARY TO BE ELECTED

CHARLES F. MARTIN'S SUCCESSOR NOT NAMED.

National Livestock Association Will Leave Office of Secretary Vacant Until Next Annual Meeting—Chief Clerk Will Do the Office Work Under Direction of a Board of Control—Association to Be Organized on New Lines.

The National Livestock Association has issued the following circular letter to stockmen concerning the office of secretary of the association.

No successor to Secretary Charles F. Martin will be appointed for the unexpired term. A board of control has been appointed to have charge of the affairs of the office. The circular is as follows:

Denver, Col., Oct. 17.—To the Members of the National Livestock Association: Charles F. Martin, secretary of this association, almost since its organization, died suddenly at Greeley, Col., on September 21, 1904, as a result of hemorrhage of the lungs.

At the time of his death, Mr. Martin was en route from Denver to Casper, Wyo., on association business.

At a meeting of the board of control held in Denver to consider the vacancy caused by the death of Mr. Martin, it was decided that no appointment would be made until the convening of the next annual convention which is to be held in Denver the week of January 9th, 1905. The affairs of the association were placed under the active direction of a committee consisting of Fred P. Johnson, George W. Ballantine and George L. Goulding of Denver, with H. E. Kennedy as clerk in charge of the secretary's office. Communications may be addressed to H. E. Kennedy, Clerk National Livestock Association, Denver, Col.

The board of control is of the opinion that at the coming annual convention, steps would be taken looking to a partial reorganization of the association upon lines that will permit of more extensive and practical work than has heretofore been accomplished.

The demand for an organization representing all of the various branches of the livestock industry has become so strong, that at the coming convention, an effort will be made to so amend the constitution and by-laws, as to make of this organization the strongest industrial association in the country.

The officers of the association have received assurances from prominent stockmen and others, of both moral and financial support, providing such action is taken at our coming convention as will put the association upon a broader and more conservative basis than has heretofore obtained. To secure this result, it will be necessary to thoroughly revise our constitution and by-laws so as to better equalize the representation and provide a basis of active co-operation between the many allied interests that are connected with the industry.

The local committee in charge of headquarters will address you later and more in detail upon these plans. By order of the board of control.
F. J. HAGENBARTH,
President.

Celebrate Nelson's Victory.

London, Oct. 21.—Trafalgar Day, (or the anniversary of the battle of Trafalgar, fought October 21, 1805), was celebrated today in the customary manner. Many parts of the world were represented among the beautiful floral offerings that were placed about the base of Nelson's Column, in Trafalgar square. Nelson's old flagship Victory at Portsmouth was decorated in honor of the day.
